

## JOB OPENING—SENIOR LANDSCAPE ARCHITECT

**Location: UK (Glasgow, Warrington or Ballymena) - hybrid office working will be offered.**

Neo Environmental, an award-winning planning and environmental consultancy, have exciting opportunities for a number of landscape architect roles to work on a broad variety of projects, with the main focus on renewables. The positions will offer the right individuals the opportunity to work for a well-established and growing planning and environmental consultancy.

The successful candidate will work on a wide variety of projects, with the main focus on renewable energy developments. You will be given plenty of opportunity to develop your skills and expertise through ongoing mentoring and training in a friendly environment. The ideal candidates will be able to work with a high degree of independence as well as in teams.

### Job Description & Duties

- Undertaking site visits and Landscape and Visual Assessment (LVAs)
- Working as part of a multi-disciplinary team
- Providing landscape design advice relating to LVAs and LVIA
- Producing or aiding in the production of Landscape Plans
- Undertaking site visits and photography
- Liaising with clients, local authorities and statutory consultees

### Essential Criteria

- At least Degree qualified in Landscape Architecture in Ireland or the UK
- Proven technical ability
- Good communication skills
- Knowledge of the LVA/LVIA process
- An excellent standard of written English
- Good knowledge and understanding of UK or Irish legislation.
- Experienced in GIS and other software packages such as sketchup
- An ability to work independently when necessary and meet tight deadlines under pressure, whilst maintaining attention to detail and working to the highest standards
- Full driving licence
- Must be flexible and willing to travel
- Eligible to work in the UK and Ireland
- Own transport

### Desirable Criteria

- Four plus years experience in a similar consultancy environment
- Chartered or on pathway to chartership
- LVA and LVIA experience
- Bid production
